REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance. The prior art fails to disclose a headlamp adjuster with the following features:

1) at least one tang positioned on and extending outside the housing so that the at least one tang functionally engages the at least one groove of the control rod and prevents rotation thereof such that rotation of the gear results in non-rotational linear movement of the control rod during operation of the adjuster as recited in claims 1, 13 and 17.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sharon E. Payne whose telephone number is (571) 272-2379. The examiner can normally be reached on regular business hours.
